

## FROM THE PRESIDENT'S DESK

PRESIDENT KHIN CHEW

Dear members;

By now, I believe all members must have read the October issue of the MSBCA-Calgary newsletter. It was an excellent job by our new young editors

– Tracey Bong and Rachel Wong. I am sure all of you will find the November issue to be a better presentation.

Halloween party was a well organized event that provided both the kids, parents and participating members superb entertainment.

Together with the Board, thanks to the following for making the Halloween Night another successful event:

ChiefCoordinator Joyce Wong; Program Coordinators May Lee & Jean Michel; MC Jesse Cheah; Reception Jane Lim; Food Coordinator Priscilla Wong; Laksa by Liz & Peter Tan; Kids' spaghetti by Susan Tan; Spring Rolls by Melissa Cheah & Lee Pow; Desserts by Jenny Khoo, Jessie Son, Joyce Wong & Priscilla Wong; SPECIAL THANKS to Karen Chin & Lee Pow for donating Chocolate cup cakes and gummy worms choco cake; Drinks by Geraldine Sng; Music by Danny Wong. Also thanks all other volunteers who helped out in the food preparation, hall set up and clean up.

October 28 Bingo required 16 volunteers. With continuing support from our regular Bingo volunteers and a number of new participants, we made up the required number for the event. Newly

joined volunteers are Melissa Cheah, Jane Lim and Becky Win. Welcome new volunteers and thanks to everyone who helped.

Upcoming Bingo events are Wednesday November 17, 2004 5pm requiring 7 volunteers, and Saturday November 27, 2004 4.30pm requiring 12 volunteers. Call Jesse Cheah 880-8885 or Khin Chew 605-6638 if you can help.

The American election sees President George Bush re-elected for another 4 years' term. Although MSBCA-Calgary does not get involved in politics at all, we respect the decision of the American people and sincerely hope for continuing good relationship between our neighbour to the South and us, and that the border will re-open soon to Canadian live cattle.

Remembrance Day is November 11. MSBCA-Calgary supports the Veterans who fought in the front lines and urge all members to show their support by donating generously into the Poppy Fund.

MSBCA-Calgary is also supporting the annual shoebox collection for shipment to less-fortunate children in at least 95 countries, which runs through November 13, 2004. Members who wish to donate may drop off their donations at the club house or call Geraldine Sng at 242-2621 or any of the Executives to arrange for drop off. Donations such as toys, toothbrushes, teddy bears etc. are welcomed. The club house will be opened on Friday night November 12 for drop off of donations.

MSBCA-Calgary has also made a donation to the Tom Baker Cancer Centre in response to member Cheong Lai Mooi's call. Members who wish to make personal donations may send their cheques, issued to Tom Baker Cancer Centre, to the attention of Cheong Lai Mooi, #16, 116 Silver Crest Drive NW, Calgary, AB T3B 4N9. Lai Mooi's phone number is 288-8767.

The President of Gee How Oak Tin Association, Tony Chan, whom we invited to the Halloween Night event spoke highly about how well organized MSBCA-Calgary Board members and volunteers are in getting the event going and are very impressed with our club house set up and the sound system. They are requesting budget from their Board of Directors for purchase of a similar sound system.

Before I close off, the Board is glad to have been able to assist a new immigrant from Malaysia to obtain the correct contact information to get her Malaysian passport renewed through the Malaysian Embassy in Canada.

Khin Chew  
The President

I found myself rushing home late Tuesday afternoon to frantically turn on the TV and see what the US voter count was at. Kerry 3, Bush 127, I believe it said. I immediately turned off the TV. It wasn't that I am a Kerry supporter or a Bush hater, I simply didn't care enough to continue watching it. (Call it youth apathy if you will.)

For the record, as I'm writing this, George W. Bush is celebrating his second chance. I can only wonder what these next four years will bring. As sorry as I am that so many innocent people died in the 9/11 WTC bombing, I often find myself asking how many people have since died in Afghanistan and Iraq as a result of American intervention?

Perhaps the war in Iraq is simply a Bush concoction. Was it me or was the war started because Iraq was supposedly housing weapons of mass destruction? No weapons of mass destruction have been found but it now seems as though America is bent on forcing their democratic will on the Iraqi people; on a country whose government may have been unpleasant to think about for us first world dwellers, but had been fairly stable nonetheless. I do believe that they are people who genuinely needed guidance, but the war in Iraq seems to have become more of a forced assimilation than a gentle prodding towards freedom.

I'm sure I could continue on this rant of mine, but as I myself have begun to enforce a strict word count for the newsletter, I'll finish with a joke that one of my Canadian Studies professors passed on to me:

"Once upon a time in the Kingdom of Heaven, God went missing for six days. Eventually, Michael the archangel found him, resting on the seventh day. He inquired of God, "Where have you been?" God sighed a deep sigh of satisfaction and proudly pointed downwards through the clouds, "Look Michael, look what I've made." Archangel Michael looked puzzled and said,

"What is it?" "It's a planet," replied God, "and I've put LIFE on it. I'm going to call it Earth and it's going to be a place of great balance." "Balance?" inquired Michael, still confused. God explained, pointing to different parts of Earth, "For example, Northern Europe will be a place of great opportunity and wealth while Southern Europe is going to be poor; the Middle East over there will be a hot spot. Over there I've placed a continent of white people and over there is a continent of black people," God continued, pointing to different countries. "This one will be extremely hot and arid while this one will be very cold and covered in ice."

The Archangel, impressed by God's work, then pointed to a large landmass in the top corner and asked, "What's that one?" "Ah," said God. "That's Canada, the most glorious place on Earth. There are beautiful mountains, lakes, rivers, streams and an exquisite coastline. The people from Canada are going to be modest, intelligent and humorous and they're going to be found travelling the world. They'll be extremely sociable, hard working and high achieving, and they will be known throughout the world as diplomats and carriers of peace. I'm also going to give them super-human, undefeatable ice hockey players who will be admired and feared by all who come across them." Michael gasped in wonder and admiration but then proclaimed; "What about balance, God? You said there will be BALANCE!" God replied wisely. "Wait until you see the people I'm putting next to them..."

## “Blast from the Past” MSBCA Halloween Party

By: Jesse Cheah

Our Halloween party with its theme of “Blast From the Past” this year was very original and was altogether a very unforgettable evening! It started off with a sumptuous bowl of Sarawak Laksa that was as good as the laksa at Ban Hock Road in Kuching. The swallow brand laksa paste was sea freighted direct from Kuching to Vancouver and arrived only a few weeks ago in Calgary. All the other ingredients to make the gravy were bought locally. Tiger prawns from India and chicken from somewhere in Canada make up the balance of the broth ingredients. The rest of the garnishing like the bean sprouts, egg, cilantro, lime and shredded chicken meat are catalyst to the awesome chemical reaction that happens in our mouths.

One other key Ummph or kick that makes one suck air is the sambal belachan. Just like it takes teamwork to prepare 100 big bowls of laksa, it also takes teamwork from all these ingredients to make the person digesting the laksa a happy & very satisfied person. The spaghetti, Vietnamese salad roll and the other wonderful desserts capped the dinner off in a very Canadian way.

Thanks to all who attended and a special thanks to our guests & newcomers, also, for those children & adults who

dressed-up, thank you for lighting up the evening. You all made the evening very colourful even though it was dark! The lighted pumpkin carvings were truly a work of art & imagination. We thank you all for your patience & time taken to carve out those pumpkins.

I liked the idea of having different categories for the Halloween costume competition although if our budget had allowed us to, we would have given everyone a prize. The group photo with our costumes was priceless, another classic photo for the album. All the games were very unique and the climax came on the last game when the mums had 10 minutes to make the best fancy dress out of newspaper for their young models. When time was up, we had an impromptu fashion show cat walk over a shower of hands for the kids in their paper cut designer dress/attire.

There were so much laughter from both kids & parents after the games that I wished it would never end. The kids adjourned into the dark room for the scary movie time while the adults tried to shake loose some of the extra weight. Nobody can take away that memorable taste when we thought we were in a Sarawak coffee shop and later those priceless moments when we had our share of laughter and happiness. Let’s do it again!

## At the Clubhouse

As mentioned in the July newsletter, all members are welcomed to the club house for karaoke, which is now a weekly event.

We encourage all members to come and utilize the club house, whether it is for chess, pot luck, exchange of cooking techniques, watching movies, meeting other members etc. etc.

Call Eric Ng @ 280-4165 or Geraldine Sng @ 242-2621 for access to the club house. For karaoke, call Khin Chew @ 605-6638.

## 2005 Membership Renewal.

Please note that deadline for membership renewal is February 28, 2005. You may renew your membership by mailing your cheque to MSBCA-Calgary clubhouse, to the attention of Khin Chew. You may also e-mail [Kchew@shaw.ca](mailto:Kchew@shaw.ca) if you are using your Bingo Points to renew your membership. Failure to renew your membership before February 28 will see your Bingo Points default to 0 and your membership default to New Member, which will affect scholarship award to your children because you need to be MSBCA-Calgary member for two consecutive years in order for your child/children to qualify for the scholarship award.

## ❄️ ❄️ ❄️ Winter Driving Tips ❄️ ❄️ ❄️

*With winter fast approaching, our very own car expert, Conrad Rumjahn gave us some tips on how to make winter driving safer and less stressful... (thanks Conrad, I know I really needed these tips!)*

### Winter driving tips:

There are 5 areas that I'd like to mention. 1) the tires 2) the oil 3) the windshield wipers and washer fluids 4) the coolant and the 5) the battery and block heater

- 1) In snow, ice and slush, winter tires will make a big difference when you are stuck or slipping with spinning wheels. The tire material in most 4 season tires hardens when the temperature falls to  $-15^{\circ}\text{C}$ , it loses its flexibility and frictional capability causing the vehicle to become harder to control. This control is also proportional to speed. (*slow down!*) Take a good look at your tires and your driving needs
- 2) The oil is classified by the Society of American engineers (SAE) and the American Petroleum Institute

(API), in grade with specification for automotive application... to avoid all these complex technical terms, 5w30 is good for winter, 0w30 is good for extreme cold. 10w30 is recommended for spring to fall. 10w40 or 5w40 is good even in Las Vegas! There are a lot of vehicles using 5w40 year round, which is recommended by their manufacturer. *A Warning:* Synthetic and regular oil should not be mixed, and neither should the grade. One tip is to use brand name oil.

- 3) Special wiper blades are available for winter conditions and also special windshield washer fluid for summer and winter. The average fluids in most stores are  $-35^{\circ}\text{C}$ , some are rated  $-45^{\circ}\text{C}$ ... use your judgment. If the washer fluid is not up to par, your washer pump can be frozen and damage the pump when the weather gets colder.
- 4) The car engine uses liquids to help cool and maintain it at operating temperature by a thermostat. The system uses a water pump to

circulate the liquids, it is here that we tap the heat to warm the cabin. The cold weather freezes the water at  $0^{\circ}\text{C}$  so we use anti-freeze (glycol mix with water) so that the coolant is still in fluid form even at  $-45^{\circ}\text{C}$ . Ensure your car's anti freeze is up to strength. Damage to a frozen engine is expensive!

- 5) The battery is the life of the car. It is an electrical reservoir for the power needed to start your car. There is a system check by garages called an AVR test to verify that your car's battery, charging system and starting system is all in good health. It is also done in part to winterize your vehicle and to check your block heater and its cords.

That's it for now. If you have any questions you can drop a note with your phone number at the clubhouse and I will try to answer you as soon as time allows. Happy motoring!

## Bingo and Casino Update

## Bingo Points

### Casino on Feb 27 & 28 2005

Thank you all for coming forward to sign up for our upcoming casino on Feb 27(Sat) & 28(Sun). As far back as I can remember this will probably be the 1st time we'll be doing it on the weekends. As usual casino is always a time when we build up our community spirit besides of course doing volunteer work. I hope all of you will have some fun as you work. As the days draw closer I will send a reminder to all volunteers about your time schedule and assigned positions.

### Bingo

There will be some discussion happening soon with the board with regards to Bingo appreciation dinner & bingo points. The review was deemed necessary because we want to implement a system that is both fair & manageable. A better-managed association requires a good system in place. In the meantime we will continue with our Bingo point system i.e. 10 points/bingo. One can use these bingo points earned for any function or fees imposed by MSBCA. However please note these points cannot be exchange for money.

As for lunch or dinner at Bingos I recently found out that ALGC(Alberta Liquor Gaming Council) requested that volunteer groups budget for \$7/person for lunch and \$8/person for dinner. I would like to share this request with our volunteers.

We will have a total of 15 bingos for 2005. We were originally given 18

bingos but had to drop 3 because of conflict with our own MSBCA functions. Out of the 15 bingos only 2 will be shared. This will be the 1st year ever where we will run 85% of the bingos by ourselves. The benefit will be higher income and maybe even a little bit more fun. Of course this will be a trial year and if prove difficult we can always revert back to shared bingos like what we've been used to doing in the past. Maybe in the next newsletter when I received actual gross profit earned from October pooled bingos I shall create a bar graph to show you our net profit. Stay tuned.

### Oct 10 Sunday afternoon Bingo:

Thanks to Teng, Priscilla, Jennie, Juliet, Cliff, Daniel, Clara, Peter Cheng, George Chin, Lily, John, Jessie & Andrew we wrapped up our 1st Bingo for 2005 with some fun exercise. Thanks to people who car-pooled. Some of us even learned of a few new jokes while others had to do some quick mental math calculations.

### Oct 28 Thursday evening Bingo:

Thanks to Priscilla, CK Tang, Ian, Kim Chan, Jenny, Eric, Jennie, Jessie, Peter Heng, Khin Chew, Jane, Becky, Chee Leong, Melissa & Fred for helping out in yet another full event. There were three 1st timers and it was nice to see some familiar faces. Thanks to those who had to come out from work a little early. Much appreciated!

Regards  
Jesse
