

Interim President's Message

Hi everyone,

With the departure of our President it falls upon the three VPs to pick up the mantle from where he left off, in periods of three months each. We did try to ask Vincent to please reconsider his resignation, as with his experience from the past year, it would be easier for MSBCA to move forward for the ensuing year. Unfortunately, for his own reasons he is unable to continue as President. We fully understand his situation and albeit, reluctantly, we accept his decision. It now leaves me the duty of extending, on behalf of the Board, our thanks to Vincent for his valuable services to MSBCA... Thank you Vincent for leading the team during your full term as President, and for the fairness and friendship you have extended to every single member of your team!

With Chinese New Year just round the corner, it's time again for each of us to gather with our families for the tradi-

tional New Year's Eve dinner. For some of us perhaps, we may not have the full complement of family in Calgary as some close kin may be elsewhere in Canada or even in Malaysia, Singapore, Brunei. Nevertheless it is the spirit of togetherness as a family that binds us. In the same vein I personally would like to perceive membership in MSBCA as a way to foster togetherness as members of the same "kampong" where we meet and gather in a spirit of friendship, understanding, and camaraderie, and to consider MSBCA as a "second home" in our new home.

On behalf of the Board, let me wish every one in MSBCA "A Healthy, Happy, Prosperous, and Successful Chinese New Year" in the Year of the Dragon.

*Sincerely
Kenneth Ang

My first Christmas away from home... I missed my family and friends dearly but I got see and talk to them on Skype so it made it that much better. I had a pretty great Christmas in Australia. It was a hot one, which was so different! It didn't really feel like Christmas... though it did feel festive! I spent the day with Shane's family and with his nephews and niece running around excited to open presents. It was a busy day but we got to wind down at the beach in the late afternoon and the water was warm. It was a great way to relax after all the hustle and bustle of the day.

Christmas light cruise.

Not long after the holiday festivities, I took a trip to Melbourne and spent New Year's Eve there and to visit my friends again. It was an awesome get away! We got to drive down the Great Ocean Road and see some amazing sights. Lucky us we got caught in the heat wave New Years Day and the day after with a scorching 40 degrees!! It was so hot and muggy that we had to seek relief in the local grocery store during our road trip.

So far, my Australian summer has been really fun! I only have a few months

left because my working-holiday visa is coming to an end in March. So, I will be heading back to Calgary and then I have to decide what to do next! I can't believe how fast it has gone by and there is still so much that I want to see and do here... I have some planning and thinking to do in the next bit!

Breach of Clubhouse Security

On December 20, 2011, the clubhouse security was breached with the main door pried open through forced entry into the clubhouse. At this point in time, we believe there were no other damages to the clubhouse. Since the incident, we have installed metal plating to reinforce the front and rear doors.

STATEMENT OF CLARIFICATION

In our summary of minutes dated November 2, 2011 the Board wishes to clarify our statement that there is no association whatsoever between the past dance coordinator and the implementation of the clubhouse security. Security was implemented to prevent any breach of clubhouse usage in general, including clubhouse rental and clubhouse security for preventive measure against unauthorized entry
